## Fill the Bus Annual Food Drive - Central Valley Middle Schools!

This year, all of our middle schools are once again participating in the annual Fill the Bus Food Drive. During the week of January 28-February 2, students will be encouraged to bring in nonperishable food items, boxed and canned, that will be donated to our local food bank. On Saturday, February 2, from 9:00 AM - 2:30 PM our leadership students will be located at the YOKES FRESH MARKET at 1233 N. Liberty Lake Road in Liberty Lake collecting food from patrons shopping that day. All of the food and money collected during the week and on Saturday will be delivered to our local food bank. This activity is designed to teach our students compassion by giving to those less fortunate in our community. Our local food bank has a greater need for food in February since there are already so many organizations donating during the holiday seasons, thus the need for a food drive at the beginning of February.

## High School and Beyond Plan Grade 8

In preparation for the 2019-2020 school year, our counselor continues to visit all Grade 8 ELA classes to talk about high school credit requirements. As part of our annual Career Unit, she has introduced the first portion of the High School and Beyond Plan to our students. At the end of the week, ask your 8th grader about it! Coming up in February, we will be taking our students to Central Valley High School to begin the high school registration process and explore the upcoming opportunities including after school activities and clubs that will be offered next year.
