## Distance Learning

Students are off to a great start with their distance learning. We want to help in any way we can to make this experience available for our students, please contact us if you are experiencing difficulty. By this point all students should have had online contact with their teacher and classmates at least twice a day. Please call the school at 601-482-6044 if you are experiencing any trouble, we are here to help from 8:00 am to 2:45 pm.

## Email

Email will be our primary means of communication, please check your email daily for up to date information, and teacher's agendas for the day. If you have not given us the best email where we can reach out, please call the office and we will change the email on the system. In addition to your teacher's email, we want you to have handy the following emails in case you need additional help:

Mrs. Polizzi - [dpolizzi@stpatrickcatholicschool.org](mailto:dpolizzi@stpatrickcatholicschool.org)  
Mrs. Reynolds - [hreynolds@stpatrickcatholicschool.org](mailto:hreynolds@stpatrickcatholicschool.org)  
Mrs. Saucier - [csaucier@stpatrickcatholicschool.org](mailto:csaucier@stpatrickcatholicschool.org)  
Mrs Frias - [mfrias@stpatrickcatholicschool.org](mailto:mfrias@stpatrickcatholicschool.org)

## Attendance

Teachers will be taking daily attendance through the distance-learning plan. Indications of attendance will include any of the following:

- Student submission of an academic assignment
- Student's access to our diverse platforms: (Go Math, Wonders, IXL, Prodigy, Spelling City).
- Student's post in a Google classroom discussion.
- Documented student participation in an interactive class through zoom.
- A posting by the student or parent showing the student's work.
- Student initiating contact with their teacher to ask a course-related question, via email, video or seesaw post.
- An email from the parent or student to the teacher to ask a question about an academic assignment in their workbooks.

We understand some students have difficulty connecting online, and they can follow the distance-learning plan using their workbooks at home; we just need you to keep in touch with the teacher about this so that she can document the student's attendance.
