

2019 / 2020 **TENTATIVE TUITION RATE LETTER**

The Boys & Girls Clubs of the San Gorgonio Pass is pleased to partner with the Beaumont Unified School District in the 2019-2020 school year as we continue to provide before and after school programs at the following schools: Anna Hause, Brookside, Starlight, Sundance and Tournament Hills Elementary Schools. Members will attend the before and after school programs at the site where they attend school, if there is a program offered at that location.

The Boys & Girls Club program focuses our daily programs and activities on our five core program areas: Character and Leadership Development, Education and Career Development, Health and Life Skills, The Arts and Sports, Fitness and Recreation. We provide our members with various program options each day that are geared towards their interests. We provide a homework assistance time, "Power Hour" each day which allows your child a defined period of time in which they can complete their homework. Our staff will provide assistance as needed.

Applications for the program can be located in the following locations: on our website www.bgcsgpass.com, at each of the elementary schools, and at our administrative office. Please feel free to contact (951) 922-3259.
