

***RAUPP ELEMENTARY SCHOOL***  
***2018-19***  
***TITLE 1 PROGRAM***

The Raupp Elementary School boundary is eligible for Title 1 services. Title 1 is a federally funded program that is designed to help all students meet current academic standards. The goal of Title 1 is a high quality education for all children. The program provides extra help to the students who need it most. Students receive instruction and services through highly qualified professional educators. Parents may review the professional qualifications of their student's classroom teachers/interventionists on request.

Our Title 1 program at Raupp Elementary is a school wide program with Title 1 staff working together to:

- Identify students at risk of not meeting grade level expectations
- Set goals for student improvement
- Measure Progress
- Develop research based programs to add to regular classroom instruction
- Involve parents in all aspects of the program

In addition Raupp Elementary will offer interventions for those students who may be identified as needing academic help in the areas of reading, writing or math. We are also pleased to have Intervention Specialists to assist students and support teachers with English Language Arts and math classroom instruction and curriculum. Students will be assisted on an individual and small group basis with frequent monitoring and assessment. Title 1 staff will also provide research based professional development opportunities to enhance and improve classroom instruction.

The Title 1 program encourages communication between home and school and will plan and provide several family activities through out the school year. In addition parents will be surveyed to see what types of activities they would like to see offered in the future at Raupp.

Thank you ~~for~~ supporting you child's education here at Raupp Elementary!! Please feel free to ~~contact~~ me at school with any questions or concerns that you may have.
