Week of May 20th

Reading and Social Studies

This week we are finishing our study of Frontier Explorers and will be taking our domain assessment.

Spelling

There is no spelling test this week.

Writing

We continue to work on writing conventions (capitalization, punctuation, spelling) as we write in our journals. We are also working hard to do our best handwriting in ALL of our written work.

Math

We will take our final module assessment on solving story problems, place value, and addition and subtraction of two-digit numbers.

Keep helping your child with the addition/subtraction fluency sets and sprints. The goal for first grade is to pass Sets A-E. Some students have already met that goal and are working on 2nd grade math fact sets. If your child is still on Sets A-C, he/she will need significant practice at home to be ready for 2nd grade.
