

What's NEW in the St. Rita Student Success Center

STARTING NOVEMBER 12th

Middle School Math Lab

The SSC will now open the Middle School computer lab to provide more opportunities for 5th through 8th graders to work on math homework and receive support on math concepts. Please email questions to studentsuccess@strita.net

Morning Math Lab Hours

7:15am - 7:45am Morning Math Lab (Monday through Friday)

Lunchtime Math Lab Hours

5th and 6th Lunchtime Math Lab (Tuesday and Friday)

7th and 8th Lunchtime Math Lab (Monday and Wednesday)

Lunchtime BOOK Club

Mrs. Riley and Mrs. Hyatt are offering a book club for students in grades 4th through 6th during their lunch and recess. This optional book club will be offered in the SSC on Mondays and Wednesdays starting November 12th. The students will need to bring their lunch on the days we have book club. Students will be asked to read the novel on their own time, and we will have discussions and projects on the days we meet. Spaces are limited, but we will work throughout the year to give all students an opportunity to participate in Lunchtime Book Club. To register please send your child's name and grade studentsuccess@strita.net

The Differentiated Classroom

LOWER SCHOOL SERVICES (Pre-K through Fourth)

SSC Differentiation Direct Support - SSC team is working towards providing every class (Pre-K through 4th) 30 minutes or more a week of direct teacher support. Our goal is to have member of the SSC come into all lower school classrooms and help support teachers with differentiating

STUDENT SUCCESS CENTER FAMILY RESOURCES

The SSC is working to partner with families and outside professionals to help our students receive individual supports they might need to be successful in our educational environment. These educational professionals are parent paid and include Speech Therapy, Occupational Therapy, Tutoring, and Personal Counseling. The SSC can help by providing a space for one on one services, and work with teachers, parents, and service provider to create a consistent team approach to help their student. All these professionals have been through Safe Environment and have experience in other Diocesan schools.
