## 2019 Summer Physical Education

**General Information:** As we continue our growth at SJVA we have been developing more and more elective classes to peak our students interest. Given that we only have 6 periods in the day it becomes difficult for students to take all the courses they may be interested in. To alleviate the student’s schedule and allow for students to venture into other courses the Summer Physical Education Program was created. All high school students are required to take 2 years of Physical Education/Band to meet their graduation requirements. The summer PE course is four weeks long and covers 1 semester worth of Physical Education credit - or 5 credits.

**Instructors:** Mr. Ilardi, Mr. Viani, Mr. Acosta, Mr. Selnick & Mr.Chunnry  
**Start Date:** Monday June 10th  
**End Date:** Friday June 28th  
**Class Time:** 8AM -12 PM

**Class Overview:** This 3-week course will be a combination of traditional Physical Education (Team & Individual Sports) as well as an introduction to Weight Lifting and Health/Nutrition. This course will cover all the California Physical Education Standards. **NOTE: 9<sup>th</sup> grade students who participate in summer Physical Education will still be required to take the California PFT test during the 2019-20 school year.**

**Grading Procedure:** The grading procedure will follow the regular Physical Education policy used during the school year. The breakdown will be; **50% Participation 30%Test&Quizes 20% Fitness**

### Attendance Protocol:

- **Absences:** Due to the fact that this class will ONLY meet a total of 20 times (students can only miss 2 classes to receive credit. Students who miss more than 2 classes will not receive credit for the class.
- **Tardies:** Every three tardies will count as an absence. **Note: If a student has two absences and three tardies that would result in the student not receiving credit for the class.**
- **Early Dismissal:** Please refrain from picking students up early unless it is an emergency. Students need to meet instructional time in order to receive credit for the class. In cases of planned early-pickup please let the front office know ahead of time so that the instructors can hand the student worksheets to complete to make up for class time missed.
