

Good Afternoon Cougar Families,

As we enter Teacher Appreciation Week which begins tomorrow, I would like to say thank you for your support. The displays of appreciation that are planned each day will make this week memorable for our staff.

Due to personal circumstances, Ms. Bristow, the Administrator in Charge who will be joining while Mr. McNichol's is on FMLA leave, will not begin with us tomorrow. I will send an update when I am given confirmation of her start date.

Thank you Julie Schuberth for directing this year's play, Alice In Wonderland Jr.. The show was truly great! The students had a great time performing this weekend as the audience enjoyed the show both nights. Thank you as well, to the parent and student volunteers who helped with music, lighting, stage crew, ushering and other staff who worked to bring this production to life; Ms. Kalinsky who was in charge of lights and Ms. Lane who was over choreography.

Friday's pizza lunch smelled as great as the experience was for our scholars who earned that incentive. Thank you to the CARE team for organizing and to everyone for continuing to implement the system. Consistency and teamwork from staff has been key to the excitement and success of this initiative for our students. In addition, parent support of our school's rules and expectations are also key to helping our scholars do well.

As a reminder, the school year is seven short weeks away from ending, and everyday still counts. In addition to NWEA RIT gains, achieving 96% attendance, or higher, will also bring our school closer to Level 1 status. For the month of April our school's overall attendance rate was 97%!!! If we continue to keep attendance over 96% each day our goal is very attainable. Congratulations to Ms. Schuberth's class for having perfect attendance everyday last week! Please continue to make sure your child(ren) is in school each day.

This week

Tuesday - 8th graders who signed up will volunteer for Special Olympics

Thursday - 7th graders who signed up will volunteer for Special Olympics

Friday - 6th graders who signed up will volunteer for Special Olympics. \$2 FOC Out of Uniform Day
