

DETENTION OF STUDENTS

JKB

Students may be detained after school for makeup work or disciplinary reasons. Normally, a student should be told that he/she is to be detained the next school day, and then the student should inform his/her parents to arrange transportation, if necessary. Under no circumstances should students be kept after school on the same day as the offense unless the family has first been notified and transportation has been arranged by the teacher or administrator.

ADOPTED: 3/26/63

REVISED: 10/14/74, 11/22/82, 3/28/94
