Ann Sexton
Oneida Special School District
P. O. Box 4819
Oneida, TN 37841

Director Sexton and School Board Members:

As of June 30, 2014, I am electing to retire from a full-time position with the Oneida Special School District. This has been something that I have been looking forward to with excitement and trepidation.

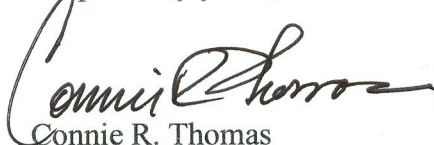

I have had such a rewarding career at this school system. I came into this position as a young energetic number junky and have grown into a mature somewhat capable business manager.

Over the last 30 years, I have been fortunate to be involved in the entire process of building and creating a special place to educate the young people of our community. What an amazing trip it has been to work for 7 directors of school, probably the best school board members in the state – all through the years – and the many teachers and support staff that made my job enjoyable and at times maddening.

Like so many of our school personnel, this school has played some part in my life almost my entire life. It is part of who we are and I have a great respect for all the folks who (as a former director once said) “grease the spokes in the wheel and turn the crank to produce the results.”

I thank you all and hope to continue in some small role in our school for many years to come.

Respectfully yours,

Connie R. Thomas
