

September Child Development Newsletter

Greetings Families, Welcome back to school!!!!

What we are Learning:

Our first two weeks of school has been a great success! The students have done a great job adjusting to our daily schedule and routines while transitioning back to school from our holiday and hurricane break. We will continue to review classroom rules and procedures as well as center rules and proper indoor voice level; as well as PBIS school expectations. We will continue to reinforce listening skills, following directions and explore many activities and experiences that are sure to have a lasting impression on your child. Thank you for allowing us the opportunity to work with your child and your family.

With wonderful thoughts of a great year,

The Child Development Team
