

PROMOTION / ACCELERATION / RETENTION

The Brea Olinda Unified School District Board of Education expects students to progress through each grade within one school year. To accomplish this, instruction should accommodate the varying interests and growth patterns of individual students and include strategies for addressing academic deficiencies when needed.

Students shall progress through the grade levels by demonstrating growth in learning and meeting grade-level standards of expected student achievement.

Progress toward high school graduation shall be based on the student's ability to pass the subjects and electives necessary to earn the required number of credits. The student must also pass both sections of the California High School Exit Exam.

When high academic achievement is evident, the Superintendent or designee may recommend a student for acceleration into a higher grade level. The student's social and emotional growth shall be taken into consideration in making a determination to accelerate a student.

As early as possible in the school year and in students' school careers, the Superintendent or designee shall identify students who should be retained and who are at risk of being retained in accordance with law, Board policy, and administrative regulations.

When a student is recommended for retention or is identified as being at risk for retention, the Superintendent or designee shall provide opportunities for remedial instruction to assist the student in overcoming his/her academic deficiencies. Such opportunities may include but are not limited to tutorial programs, after-school programs, summer school programs, mandated electives, modified classes, and/or Saturday School.
