Kevin and Kelli,

It is with a heavy heart that I have to let you know that I am unable to continue working at Oneida Middle School. I will be staying in Michigan for an unknown amount of time due to my Grandmothers death. Not only does my mom need my help taking care of personal matters, but my grandpa is not doing well at all and I will be helping him as well. I really enjoyed my time with the kids and I am so sorry for not being able to put in my two weeks, I know how unprofessional that is. There was no way anyone could predict this situation happening, but at a time like this, it is important for me to be with family.

Sincerely,

Lisa Barber
