

NATIONAL  
MATH + SCIENCE  
INITIATIVE

# { A Proven National Program's GOT YOUR BACK. }

**As a potential AP® student, you** have the chance to get extraordinary resources in and out of your classroom — and you'll have the backing of the National Math and Science Initiative to help you succeed.

Through NMSI's partnership with your school, here's what you get when you sign up for Advanced Placement® courses in math, science and English:

Rocking teachers

Expert-led study sessions

Reduced AP exam fees

Financial awards for qualifying

AP exam scores

## Why STEM?

### It's Everywhere

Whether you aspire to careers in manufacturing, engineering, design, business or medicine, understanding the principles of science, technology and math will propel your success.

### Skills for Life

STEM education promotes critical thinking, problem solving and collaboration.

### Earn More

Nine out of the 10 fastest growing jobs involve science, technology, engineering and math.<sup>1</sup>

## Why AP?

### AP Classes Help You:

Develop skills that will help you succeed in college and beyond

Move toward the jobs you'll love

Stand out from other college applicants

Earn college credit & save money on tuition
