

MISSION

The Mission of the James A. Foshay Learning Center is to develop socially responsible citizens prepared to face the challenges of the 21st Century.

VISION

To create an internationally focused school that promotes:

- Communication within our community and throughout the world
- Inquiry and problem solving in a rigorous academic setting
- Technology as a means to learn, communicate, and demonstrate knowledge
- A community of caring students, parents, and staff
- Service with the goal of making the world a better place

SCHOOLWIDE LEARNER OUTCOMES

- Effective Communicator
- Problem Solver
- Personally and Socially Responsible
- Technologically Literate
