## Student Calendar

Sunday	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday
	<b>"Every Student, Every Day"</b> <sup>1</sup> As always, one of our goals this year is to ensure that every student attends school regularly. School attendance has a huge impact on a student's academic success, and when students are not in school, they miss out on valuable instructional time in the classroom. Please help us provide your child the best education possible by ensuring that they attend school every day and arrive on time.
