

Family Lunch Day

We're excited to welcome Solomon families to our first Family lunch day on Friday, August 30th in the Cafeteria. Families are welcome to come and join their students during their designated lunch period. Listed below.

Parents will be asked to sign in at the classrooms and sign out students at classrooms if taking home for the day. Please plan on arriving at your student's classroom 5-10 minutes before the time specified for eating. You do not need to sign in at the office. Please go directly to the classroom. This will give you enough time to locate your student and walk with your student's class to the cafeteria. Parents will walk to the cafe with the class and leave cafe with the class to return to classrooms.

Parents are asked to bring a lunch. Parents are not permitted to purchase school lunch. If you are not able to attend, please know that you are welcome at any of the other Family Lunch Days.

Please note this is a modified lunch schedule to ensure space for everyone.
