Duquesne University  
LaRoche College  
St. Vincent College  
University of Pittsburgh

## MISSION STATEMENT

Bishop Canevin High School, a Catholic, college preparatory school dedicated to the education of young men and women in the Diocese of Pittsburgh, prepares students for a life anchored in Faith, a life enlightened by Learning, and a life committed to the promotion of Charity and Justice. Through a holistic educational approach that is intellectually challenging, rooted in the Gospel of Jesus Christ and aligned with the principles of Ignatian spirituality, the school challenges students to life-long learning and growth in a spirit of “competence, conscience and compassion” as young men and women in service to others.

## SCHOOL COUNSELING

The Counselor focuses on working with each student to determine the student’s interests, identify abilities and match those interests and abilities to post-secondary choices. The goal is to direct the student’s choices to continue their intellectual, social, spiritual, and moral growth as young men and women preparing for the future. Additionally, the counselor works with various resources in the community to broaden the student’s awareness and to provide opportunities for growth, tailored according to the student’s interests, abilities, and needs.
