Treasurer report-Treasurer not present

Talked about opening a CD with a bank that gives a minimum sponsorship of \$1,000, possibly other accounts in the future with others

Group Updates/Reports

*Wrestling-Virnig: nothing new, possibly looking into getting matlog which is around \$500/year, all of the camps they go to use this site

*VBall-Callow: Took 3rd in the Marathon Tourn., Callow is the new rep for volleyball.

*Note from Virnig-football bought a camera that could possibly be used for other sports such as volleyball. Also made Callow aware that there is \$ allocated for a mounted spike for vball. Callow will talk with Hoogland about it.

Softball-Edwards/Williams-6 diff. girls helped repaint the dugouts, summer youth softball ended-had 2 teams for each grade level

*Note from Edwards-74 different students showed up to BBA this summer in either the AM and/or PM sessions-it was a huge success.

CC-Tonight is their picnic

Football-Haberman: Players are using their new pants-they are great! They love the new camera! Hoping to paint the goal posts yet.

Girls BB-Weik: Shooting machine, everyone is loving it! It does so much, used already already this summer at all different age levels. Maybe it could be used at halftime as a fundraiser or homecoming?

Swim Team-Weinberger: Swim blocks are ordered. Registration will be in September. The AnnMarie grant paid for most if not all of the blocks, if anymore is needed Fund 80 will cover the rest.

Executive Meeting: Went over swim team, discussed sponsorship forms
Sponsorship forms. Discussed the track logger cards-agreed to give all businesses on the card that do not do sponsorships a \$50 family sponsorship or \$50 towards sponsorships for current sponsors.

Committee updates:

Business-will talk to some businesses that are not yet sponsors

Event-KaySue no longer wants to sell clothing at the school, maybe that is something the Booster Club would be interested in? Homecoming ideas-walking in the parade with a banner, maybe pull some alumni, candy or some type of item to hand out to all the kids 4k-seniors, maybe a thank you float thanking sponsors. Decided on contacting alumni from the championship football team to ride in the parade give them free admission & concessions for the game.

Alumni-Haberman will contact alumni for homecoming

Sponsor-Currently at \$11,450 in monetary donations alone

Timing equipment-need some people to learn to run the new timing system-they only have a few people that can possibly compensate these people. Maybe some high schoolers would be interested? Also discussed possibly adding a class to summer school to teach refing to high schoolers.

Other purchases in use/installed all are purchased and being used except the volleyball mounted spike-still needs to be purchased

Open discussion-Virnig-Amazon smile-the Booster Club is on Amazon Smile, please go on and use it when you make purchases on Amazon.
