

# Summer School

Yorktown HS offers summer school will be completed at the students' home online using Odysseyware. The student must have a computer with internet access to complete the sessions. The cost for the program will be \$50 for Yorktown Community Students & \$100 for Non-Yorktown Students per session/course. Students can take up to two (2) classes during the summer. Students must have already taken and failed the class to enroll for the summer sessions unless approved otherwise by YHS administration.

## Session Dates

Session I: June 3-June 28  
 Session II: July 8-August 2

### Directions

Select one (1) slot during one (1) of the two (2) available sessions. Students may log in during that time slot only for six (6) days a week (excluding Fridays) for whichever session is selected. Students will be required to come in to Yorktown High School for all assessments required of the online course. Assessment times may be different from the time slot of a selected course. Please verify appointment times with the school.
