Tuition Assistance Program

The SHA Tuition Assistance Program is designed to assist students with tuition of enrollment at South Hills Academy. The award partially offsets the cost of tuition after verifying student enrollment in the Fall and Spring of the school year. All information submitted in this application is CONFIDENTIAL and used for the purpose of determining eligibility.

There is no greater return on an investment than an education. At South Hills Academy, we work hard to attract and retain the very best students. Every family makes an investment in their child's tuition and our Tuition Assistance Program may provide a bridge for families who qualify.

Financial assistance may be provided to families who demonstrate financial need. Through financial assistance and payment plans, we strive to make SHA affordable for all families whose children have been admitted. No type of merit assistance is awarded as all financial assistance is based on demonstrated financial need.

While financial assistance awards need not be repaid, we hope that recipients will be generous in supporting the school's fund-raising efforts and volunteering to assist with the many school wide activities and events that occur throughout the year.

Please follow the procedures listed below when applying for financial assistance:

1. Complete the SHA Tuition Assistance Program Application.
2. Submit the application and necessary documentation* to the SHA Tuition Assistance Review Committee.
3. The Tuition Assistance Review Committee will evaluate the application and notify the family of its decision.
4. Applications must be returned to SHA in person.
5. Families will be required to re-apply each year.

*Please verify annual income with a copy of your 2017 1040A and your two most recent pay stubs. Applications without verification will not be considered.

Directions: Please type or print the following information, which will be held CONFIDENTIAL. Application must have complete information. If more space is needed, use the reverse side. Pre-school students are not eligible.
