Mad Science: Crazy Chemworks

Enter the world of chemistry! Make gooey slime, discover what makes reactions go, learn to use the tools that chemists use. Watch bubbling potions pop their tops! Discover chemical changes and pH changes. See what makes things glow in the dark. Polymers and catalysts are just two of the fascinating concepts our young Mad Scientists explore in this thrilling trip through the world of the chemistry lab!

Mondays 3:15pm – 4:15pm
September 16 – November 4
(no class 10/7, 10/28)
$80
