Central Unified School District
Every student, every classroom, every day!

**Guiding Principles**

- **Belief**: Every student can learn.
- **Vision**: Every student is prepared for success in college, career and community.
- **Mission**: Every student will engage in rigorous, relevant, standards-based instruction in every classroom, every day, to ensure student learning.
- **Core Values**: Character, leadership, innovation, continuous improvement.

**District Goals**

1. **Staff Recruitment and Development for Academic Excellence**
   - Every year, staff members will be recruited, hired, and retained based upon coherence in knowledge, practice and beliefs about student learning, instructional best practice, assessment to guide decision-making, and continuous improvement for increased student learning.

2. **Learning for Academic Excellence**
   - Every year, students will attain mastery of skills and concepts provided through engaging and challenging best practice instruction in a system that provides social and emotional support as evidenced by student outcome data.

3. **Support System for Academic Excellence**
   - Every year, every support system, department and staff member will be focused on providing resources and assistance necessary to ensure that systems enhance student learning.
