Providing Parent Support to the Students and Teachers at OLG

Welcome Back OLG Parents!

Here at OLG, we are blessed with a vibrant and enthusiastic parent and faculty body... and it's our job to keep all of you excited and engaged!

So this year we have a proposition for you: we'll keep you in the loop and you let us know what you think.

Look our for more PTO news in the coming weeks, and we'll look forward to hearing from YOU!

What is FFO?

FFO stands for Family Fundraising Obligation! We have several ways for you to raise money towards your FFO. This helps OLG keep the tuition affordable!

Family Volunteer Program

Each family is required to give 30 hours of volunteer service to the school and/or parish. 10 of the 30 hours must be volunteered during the Carnival weekend!
