

St. Rita Parents Club Annual Membership Registration

The primary purpose of the St. Rita Parents Club is to assist in the fulfillment of the Mission Statement of St. Rita Catholic School in cooperation with its Advisory Council and St. Rita Catholic Church.

To fulfill its purpose, the St. Rita Parents Club will:

- Promote communication among the administration, the faculty, and school parents;
- Recruit and coordinate volunteer support for the school;
- Provide programs, events, and supplies that enrich student, parent, and faculty life;
- Engage in fund-raising activities; and
- Spend and invest its funds to support St. Rita Catholic School, its teachers and staff, and the primary purpose of this organization.

Every St. Rita school parent is a member of the Parents Club. Annual dues (\$25 per household per year) are collected to help support the numerous programs, events, and activities sponsored by the Parents Club. As an active dues-paying member, your household will receive ONE complimentary copy of the school family directory. Dues-paying members may also purchase additional bound copies of the directory for \$5 each. Non-dues-paying members may purchase directories for \$10 per copy from the school office.

All parents are invited and encouraged to attend and volunteer to assist with Parents Club events which occur throughout the year. Visit the Parents Club page on the St. Rita website www.strita.net/apps/pages/PC, check the school calendar on RenWeb for event dates and times, and watch for weekly e-mails. **If you have not already signed up to volunteer, we encourage you to contact Carrie McFarland, our Parents Club Volunteer Coordinator, at cem.2007@yahoo.com.**

Please complete one form per household. PLEASE PRINT

Parents' Names: _____

OLDEST Student's Name: _____
