Dear Incoming Students and Parents -

We’re happy that you’ve selected to attend Lincoln Park High School. Welcome to the Pride! Speaking of pride, the Lincoln Park High School Booster Club has developed a virtual Athletics Night. It is our goal to show you what team spirit, camaraderie, bonding and teamwork means to the LPHS Lion family.

Beginning Thursday July 1st at 10:00 a.m. you can log onto www.lphslionsbooster.com to learn more about what each team has to offer, including a video welcome from each coach and testimonial from current team members. Come learn more about LPHS’ 27 different boys’ and girls’ team sports that compete Citywide each fall, winter and spring.

Our LPHS coaches are committed to teaching each student-athlete the value of sportsmanship, teamwork, respect, and dedication. Being a student-athlete provides each LPHS Lion the opportunity to learn, grow, and develop as a student first and as an athlete second; to integrate into their lives a sense of priority, commitment, and dedication that will prepare them for future challenges.

The LPHS Booster Club is a parent-run, volunteer-based 501c3 organization. We have established the Booster Club to provide a forum for parental and community involvement in and support of the Lincoln Park High School athletic and extracurricular programs, to provide financial support for those programs and to promote school enthusiasm within and outside of the Lincoln Park High School family.

We hope you can join us to learn more about why we are committed to our student-athletes and how you can be a part of the LPHS Athletic community.

Go Lions!

The LPHS Booster Club.
