## **EAGLE ACADEMY PUBLIC CHARTER SCHOOL ANNOUNCES NEW WARD 8 LOCATION**

*Southeast School to open in August 2019*

**WASHINGTON, D.C. – January 7, 2019** – Eagle Academy Public Charter School today announced a new location in the Fairlawn neighborhood of Ward 8. The new campus, located at 2345 R Street SE, will open in August 2019 and educate 225 students per year.

“We are dedicated to helping our students thrive in and outside the classroom and are excited to expand our work by opening a new campus location,” Eagle Academy CEO Dr. Joe Smith said. “Through this new campus, we are determined to further our mission of providing a high-quality, well-rounded education to each of our children.”

Eagle Academy currently operates in two neighborhoods of Washington, DC , Capitol Riverfront in Ward 6 and Congress Heights in Ward 8. In 2016, the school purchased land on R Street SE to construct a new building. The campus, named Eagle Academy Public Charter School at Fairlawn, will have a more intimate setting, allowing for greater opportunities for individualized learning.

“Eagle Academy is committed to fostering an environment that not only enriches the lives of its students, but their families and the surrounding community,” Smith explained. “We want parents to feel confident that their children are receiving the highest-quality education and that the school is an asset to the community.”

Eagle is committed to building the educational foundation for a promising future in a setting that fosters creativity and problem-solving. By investing in the latest technology and state-of-the-art resources, Eagle has designed a program that will enable students to thrive and reach their full potential.
