**I understand the following:**

1. I must be a student in DCCUSD that is considered to be in good standing.
2. **The mobile hotspot is property of DCCUSD and is intended for temporary use, to be returned when no longer needed or at the end of EACH semester and eligible for renewal. I understand the school may request its return at any time AND that I must return the devices as follows:**
  - A. **Once data shows no use after 2 consecutive weeks**
  - B. **If I intend to move or un-enroll from DeKalb Central Schools**
  - C. If data reports determine the device has not been used appropriately
  - D. **At the end of each semester for inspection and updates**
  - E. If requested for other software updates

*Failure to return the mobile hotspot unit using the above guidelines may result in deactivations, checkout limitations, charges, or denial of future use.*

3. **If the mobile hotspot is broken, damaged, lost or stolen it is my responsibility to pay for a replacement. The cost of replacement will vary between \$ 99 - \$189, depending on the severity of the damage . This will need to be paid to DCCUSD within seven (7) days of the incident. Please see Chart 1.1 on reverse for the damage descriptions.**

4. Internet access provided through the mobile hotspot is a privilege not a right. My usage is governed by DCCUSD's Respectable Use Policy.

5. The DCCUSD's Administrative Team reserves the right to deny or revoke the mobile hotspot privilege. If the mobile hotspot is not returned in a timely manner, I understand I may be billed for the entire cost of the device and the device will be deactivated immediately.

6. The mobile hotspot is not to be used on school grounds in place of the "DeKalb Students" network.

7. Only one mobile hotspot may be checked out per household (multiple devices can be connected to the same mobile hotspot).

8. The mobile hot spots are limited to 500Mb per day. Data usage resets at 12 A.M. each day.

**4 options for DeKalb Central families without Internet or device assess:**

1. A trusted friend or relative -This could be a great time for students to collaborate with friends or relatives while sharing Internet connectivity.
2. Church and/or social club: Internet access - While DeKalb Central Schools are not working directly with any church or clubs, families may contact their church or social club. It will also be important to bring a charged device and headsets for privacy and the privacy of others.
3. Area Businesses, Local restaurants, and coffee houses could be used for WiFi connection. It will also be important to bring a charged device and headsets. There is a list of local businesses who offer free WiFi on the Zee Map on the DeKalb Central website.
- 4 Local Libraries - The Eckhart Library offers FREE Wi-Fi access and printing. Computers can be used with a valid library card or computer use card. Cards are free to all living in Auburn or Union Township. Students living outside the area, may still access the library computers for FREE by getting a Computer Use Card with a parent’s approval in just a few minutes. Student library cards can be purchased for full access of the library for \$10 a year with a piece of mail with home address.
5. Waterloo Library also has FREE WiFi. They do NOT require a library card to use the computers. If it is a student’s first time at the library, then parents will need to sign a release for students to access the Internet. Please bring headsets for your privacy and the privacy of others.
