

Home Access Center (HAC) is a web-based tool that allows parents/guardians to monitor your child's attendance, schedule, grades, and classwork. This would also include access to interim progress and report cards. It does require an internet connection. To view student information, please follow steps below:

- 1) Contact the school office to obtain your logon credentials.
- 2) Click on the website below and follow the instructions in the diagrams.
