NEW PARENT PORTAL

Jackson County School District is pleased to announce a new Parent Portal that you can download to your smartphone. It is called the JCSB Community Portal. Simply go to the Google App store for Androids or Apple App store for Apple iPhones and search for JCSB Community Portal. Once you have downloaded the App to your smartphone you will have full access to your child's school activities, events, and calendars. With your parent portal username and password, you can access your child's grades, schedule, and attendance from anywhere. If you don't already have a Parent Portal account, go to the JCSB website www.jcsb.org and click on the Parent Portal Registration link to get information on how to open one.

For any questions about the new Parent Portal App please contact your school or the Jackson County School Board at (850) 482-1200.
