Congratulations

Please help us congratulate 8th grader, Simon Perryman. He has been chosen to perform in the Honors Junior Performance at Carnegie Hall in New York. Students from all over the country are chosen to participate in this event. It is competitive but our own Lincoln Middle School student was actually accepted. This is such a prestigious honor for Simon, his family, and the Lincoln Family. Congratulations Simon!!!!

Lincoln Choir Does it Again

Congrats to our choir for earning an overall rating of Level II in the Illinois Grade School Music Association competition.

Registration

This year, the registration procedures have changed for returning students. Parents will have to register their students through Infinite Campus. Information on how to do this will be provide next week. The link to register your students will be available after Spring Break. Families are still required to provide 5 proofs of residency.

Infinite Campus Parent Workshops

If you need help registering your student using Infinite Campus, please attend one of the workshops below:

Tuesday March 19 - Prairie Oak 6 pm - 7 pm in the Computer Lab

Monday, March 25 - Havlicek 6 pm - 7 pm in the Computer Lab

Tuesday, April 9 - Jefferson 6 pm - 7 pm Computer Lab

SPRING Break

Parents, Spring Break is April 1 - April 5th. PLEASE DO NOT SCHEDULE VACATIONS THE WEEK PRIOR TO SPRING BREAK OR DURING THE MONTH OF APRIL. State testing begins the last week of March and continues after we return from Spring Break. We need all students present and on time during testing weeks.
