

**Inquiries or concerns regarding the Ascon Landfill Project:**

There is a 24-hour non-emergency hotline where they can contact our team (answered by a service). A call is returned during business hours and the call and the response is documented for DTSC. From the project website: **A 24-hour NON-EMERGENCY public hotline has been established to ensure questions or concerns can be answered promptly. This is not an emergency number. Emergency calls should be directed to 911. The Ascon Landfill Site hotline number is 714-388-1825.**
