Fennell Elementary Received Grants to Provide Technology Support to the Community

Fennell Elementary Technology Center has received two grants from the **Coastal Community Foundation of SC**. The first grant was from **The Beaufort Fund** for \$7,500 and the second was from the **Winthrop Family Allendale/Hampton Fund** for \$5,000. The grants will enable the Technology Center to be open on Tuesday and Wednesday nights from 6 to 8 with a teacher (**Robbie White**), a teacher assistant (**Tonya Murray**), and a student teacher assistant (**Adonia Riley**), to work with adults, elementary, middle and high school students. The grants will also cover printing supplies and replace a few obsolete computers. The program will run from February through the end of May. Adults will come in to work on basic computer literacy skills to improve their typing skills, work on community projects, fill out job applications, fill out FAFSA forms, practice for GED, or work on courses offered at TCL and other local colleges. K-12 students will be working on homework, writing and publishing school projects, improving typing skills, and working on educational websites.

"Soup"er Bowl Event was Successful

The Junior Beta Club and Boys Club from **Hampton Elementary** sponsored a Soup Night free to the community on Friday, February 3, 2017, from 5:00 to 7:00 p.m. Those who came to dine had the option of eating beef vegetable soup or chicken noodle soup along with a slice of cornbread and their choice of tea or lemonade to drink.

In addition, the Hampton Elementary School Junior Beta Club sponsored a "Soup"er Bowl Canned Food Drive. Students were given extra credit for bringing in canned goods and nonperishable food items to support the team they wanted to win Superbowl LI. This fundraiser lasted from Monday, January 23rd to Friday, February 3, 2017. The school collected a total of 830 items to donate in support of local families and organizations in need.

Screenings for Artistically Gifted and Talented Identification

Hampton School District One is accepting referrals for the 2016-2017 Artistically Gifted and Talented Programs. Artistically gifted and talented students can be found within any racial, ethnic, or socioeconomic group; within any nationality; within both genders; and within populations with physical disabilities, learning disabilities, or behavioral problems. Referrals will be accepted from administrators, parents, guardians, teachers, and students for current 3rd through 6th grade students in the artistic areas of dance, music, theater, or visual art.

To receive a referral form, contact **Jack Hutto, Fine Arts Director at (803)943-3400, jhutto@hampton1.k12.sc.us, or the district's website at www.hampton1.org**. Depending on the number of screening applicants, the district reserves the right to only screen students in one (1) prioritized area.

Hampton District One does not discriminate on the basis of race, sex, color, religion, national origin, age, disability, or veteran status in the provision of education opportunities and benefits in compliance with Title VI and VII of the Civil Rights Act of 1964, Title IX of the Educational Amendments of 1972, Section 504 of the Rehabilitation Act of 1973, the employment provisions (Title I) of the Americans With Disabilities Act of 1990, Age Discrimination and Employment Act, and all other applicable civil rights laws.
