Expectations for All

1. Common schedule so students are not pulled in two directions at once
2. Academics will continue online. Students should be checking into their email and any assigned online platform daily, during the scheduled time
3. Students will complete and submit assignments and assessments, which will be recorded in the gradebook
4. Teachers, counselors and administrators will be available via email, as well as other online platforms, such as Google Chat or Meet to ensure the continuation of student learning
