LEMON GROVE SCHOOL DISTRICT  
PROPOSITION W AND MEASURE R BOND OVERSIGHT COMMITTEE  
ANNUAL REPORT  
May 10, 2016

On November 4, 2008 voters of the Lemon Grove School District (District) approved ballot Proposition W (Prop W), authorizing the issuance of general obligation bonds in the amount of \$28,000,000; additionally on November 4, 2014, voters approved ballot Measure R reauthorization of remaining unissued balance of \$10,000,000.

Bond Oversight Committee

In accordance with state law, the Lemon Grove School Board shall establish an Independent Citizens' Oversight Committee (ICOC) pursuant to Education Code section 15278. Prop W and Measure R further specifies that the function of the ICOC is to ensure that bond proceeds are expended only on the school facilities projects listed in the ballot measures. The District's ICOC Bylaws, Section 3, states that the Committee is to inform the public at least three times per year concerning the expenditure of bond proceeds: 3.1 (a) ensure that bond revenues are expended only for the purposes described in Article 13A, Section a(b)(3) of the California Constitution including the construction, reconstruction, rehabilitation, or replacement of school facilities, including the furnishing and equipping of school facilities, or the acquisition or lease of real property for schools; and (b) ensure that, as prohibited by Article 13A, Section a(b)(3)(A) of the California Constitution, no funds are used for any teacher and administrative salaries or other school operating expenses.

Purpose of the Bonds

The specific purpose of the bonds is set forth in Exhibit A of the ballot measures. Exhibit A lists the District schools and specifies the items to include the following list; they are presented to provide examples and are not intended to limit the generality of the broader description of authorized projects:

Proposition W – Ballot Measure

- Repair and/or replace old and deteriorating plumbing and sewer systems
- Construct science/technology labs
- Modernize relocatable classrooms
- Install new heating and air conditioning systems in District facilities, including auditoriums and multi-purpose rooms
- Upgrade and expand health and fitness facilities at Lemon Grove and Palm Middle Schools, including new fitness centers and locker rooms
- Make maintenance and infrastructure improvements throughout the District
- Make handicap accessibility (ADA) upgrades and improvements throughout the District, including restrooms, classrooms, and playgrounds
- Convert Lemon Grove Middle School into a magnet school specializing in programs such as science, technology, engineering, and math
- Construct a joint-use library/media center for school and community use

### Proposition W – Ballot Measure Continued

- Reconfigure existing school sites to accommodate new programs
- Install shade structures at the elementary and middle school campuses
- Upgrade playground equipment at elementary schools
- Enhance safety and security at the elementary and middle school campuses
- Acquire the following property which has been leased by the District: (a) improvements made to modernize Vista La Mesa Elementary School from the proceeds of 1996 Certificates of Participation; and (b) solar energy projects which were previously acquired, constructed, and installed at Palm Middle School, Mount Vernon Elementary School, and San Miguel Elementary School

### Measure R – Ballot Measure

- Repair and/or replace leaky roofs
- Repair and/or replace old and deteriorating plumbing and sewer systems
- Modernize and/or add relocatable/permanent classrooms; overcrowding relief
- Install new heating and air conditioning systems in District facilities, including auditoriums and multi-purpose rooms
- Upgrade and expand health and fitness facilities
- Replace failing and cracked asphalt in areas such as, but not limited to parking lots and playground areas
- Make maintenance and infrastructure improvements throughout the District
- Make handicap accessibility (ADA) upgrades and improvements throughout the District, including restrooms, classrooms, and playgrounds
- Reconfigure existing school sites to accommodate new programs (i.e. expand Mount Vernon dual immersion program to middle grades; creation of fine arts academy)
- Install and repair shade structures at the elementary and middle school campuses
- Upgrade playground equipment and/or playground fields
- Enhance safety and security district wide
- Repair and maintain existing solar energy photovoltaic systems at three schools

## PROJECTS UPDATE THROUGH APRIL 2016

Districtwide: Lemon Grove Academy (Middle) - P.E. enhancements, Lemon Grove Academy (Middle) - pruning of vegetation and tree trimming along fence line adjacent to softball field, Vista La Mesa Academy – replacement of 50+ year old domestic water system, Monterey Heights – limited window system replacement, Vista La Mesa Academy – reroofing of two buildings, San Miguel and San Altos – urgent paving repairs.

Mount Vernon Dual Immersion: Installation of teacher work stations, bookshelves, outdoor speakers, heavy duty backpack hooks; student numbering at blacktop for PE to support the dual immersion campus and expansion to middle school grade levels.

Mount Vernon Dual Immersion, Vista La Mesa Academy, and Monterey Heights Elementary: These campuses received promethean board installations. The boards will assist teachers and students in the classrooms, thus enhancing instructional standards.

Districtwide Safety and Security Upgrades: San Altos front office, Lemon Grove Academy (Middle) front entry way, installation of a single lock box on existing chain link pedestrian gate at Palm campus, installation of steel security gate over backflow device at library, installation of security cage around Monterey Heights room R4 fire sprinkler system on outer wall.

Lemon Grove Academy (Preschool), San Altos Elementary, and Vista La Mesa Academy:  
Installation of new playground equipment.

Mount Vernon and Vista La Mesa Academy:  
Drinking fountains were installed.

Vista La Mesa Academy and Mount Vernon:  
Installation of shade canopies to allow for the students to be outside and remain out of the elements of the weather.

Districtwide existing solar energy photovoltaic systems: San Diego County Office of Education FACJPA reported on the status and possible solutions for systems at three sites.

### Conclusion

Based on the ICOC's review of the annual audit on March 16, 2016, the ICOC finds that the District is in compliance with the legal requirements under Education Code 15278 and Article 13A, Section 1(b)(3) of the California Constitution, namely, that the District has only expended Prop W and Measure R funds in accordance with Article 13A, Section 1(b)(3) and not for any other purpose, including teacher and administrator salaries (unrelated to Proposition W and Measure R) and other school operating expenses. Furthermore, the District has conducted an annual fiscal and performance audit on Prop W and Measure R bond proceeds.
