OPEN HOUSE

LE ROY
JR/SR HIGH SCHOOL

September 13, 2018 5-7:30pm

It's hard to believe, but our hallways will soon be bustling with students and staff as we **uKnight** for another amazing school year here in Oatkan Knight country! We are proud of everything we do and this year we want to invite your entire family to experience Le Roy Jr.-Sr. High School at our Open House! The evening will capture the mojo of what makes our school thrive. Whether this is your first child in our school or your 5th, we would love for you to join us!

The goal of the event continues to be for parents/guardians to gain an understanding of their child's school experience by visiting classrooms and teachers. This year we are excited to again offer an Extracurricular Fair, a Taste of the Le Roy Jr.-Sr. High Cafe, the Tech Tip Pit Stop, and a Knights' Swag Scavenger Hunt! Take a moment and read through these opportunities. Our teachers will have course information available, opportunities to engage in hands-on activities, and focus conversations on the skills that will be learned and how students can be successful in their class. Your child's schedule and room location map will be available at check-in. Need a ride or don't know what to do with your younger children? We will be running a shuttle bus and have daycare available. 7th-12th grade students are encouraged to come with you and walk through all of the events! See you on the 13th!

Mr. McArdle
Principal

Mrs. Lowe
Assistant Principal

Free Bus Shuttle

We are excited to offer a FREE shuttle service throughout our district during the evening. Experience taking the bus to school with one of our top notch drivers!

Stafford Fire Hall - 4:15pm & 5:15pm

American Legion - 4:30pm & 5:30pm

Municipal Parking Lot/McDonald's - 4:40pm & 5:40pm

Jello Factory - 4:50pm & 5:50pm

Bus will leave from the Jr.-Sr. High School @ 6pm and 7:30pm

Little Knights in the Small Gym

We will be offering FREE daycare for children younger than 7th grade in our small gym. Take full advantage of this opportunity, but don't forget to take your kids home with you!

Extracurricular Fair

We offer a robust lineup of clubs, organizations and teams for our 7-12 student body. Last year 75% of our Knights participated in one or more extracurricular activities and our goal is to reach 100%. Research is conclusive about the correlation between being connected at school to academic and social success. Each opportunity will have a booth set up in our gym staffed by students to share their experience and answer questions!

Taste of the Le Roy Jr.-Sr. High Cafe

Experience some of the most popular options our Cafe has to offer. Our culinary staff will be preparing and offering free samples (while supplies last) throughout the night. Stop by our awesome cafe and senior cafe and enjoy the quality that our students experience on a daily basis.

STUDENT SUCCESS CENTER

LE ROY JR.-SR. HIGH SCHOOL

Please make sure to stop by our Student Success Center! The Center houses three counselors, a school psychologist, and a school social worker. The road to graduation runs through this Center. They are also excited to offer a Financial Aid Night on this evening from 7:15-8:30pm with Megan Kennerknecht, Assistant Director of Financial Aid for SUNY Geneseo, for juniors, seniors, and their parents.

Tech Tip Pit Stop

Make sure to see our Instructional Tech Coach, Jen Bertrand, to pick up some helpful back-to-school tech tips. Know how to upload or share to Drive? Organize Google folders? How about "Turn In" or "Mark as Done" in Classroom? Stop by the tech table near the Auditorium to learn more about how our students use G Suite apps throughout their instructional experiences.

Knights' Swag Scavenger Hunt

Scavenger hunts, trivia questions, and giveaways throughout the night - you always look better in Black and Red!
