Commission on Elementary Education

February 7, 2019

Dear St Elizabeth Families,

Our school community seems to be on the mend. After having absences in the 70's we now have only about a dozen students out. We continue to monitor the flu and report to the Bergen County Board of Health.

Next week the children will celebrate Valentine's Day. Please check with your class parents in regard to activities in your grade. On Valentine's Day students may wear red or pink over their uniforms as well as other accessories.

Please be reminded that school is closed for President's week. School reopens on the 25th.

Thank you for your participation in our rescheduled Open House and prayer service. The children were so excited to present their projects and share their learning. We also had some visitors who were impressed with your presence and the children's work.

Have a wonderful weekend and please remember to return your registration materials next week. Also, please spread the good news about our school to others. Pre-K still has spaces available.

Sincerely,

Karen A Lewis
