

### Senior Walk 2018 Graduation Candidates Greeted with "Hi 5's" and Goodie Bags!

The traditional ritual of the rite of passage for the Mighty Javelina Graduating Class of 2018 was held on Wednesday, May 23, 2018. With a cool morning breeze, the graduation candidates of the 2018 class, made their way throughout the elementary campuses. One last walk throughout the hallways which began their road towards Graduation Day on June 1. Many steps were taken, with a kind, and sometimes firm hand, to redirect these graduating seniors towards a set path. It took a combined effort of parents, staff, and community to help these students achieve and arrive to this goal. A goal which sets forth their pathway to higher education, armed services, or workforce.

The Dr. Tomas Rivera Elementary staff and students adorn their hallways with celebratory graduation regalia honoring their former students. At the building's cross hallways, the seniors posed for a picture at a prepared backdrop with colorful green and gold decorations and a huge number '18. (Individual Senior pictures can be found on the CCHS Websites)

At every campus, both staff and students, excitedly greeted and congratulated their honored guests and formal students. CCHS staff appreciates the reception, support, and honor bestowed upon the students.

Congratulations to the Mighty Javelina Graduating Class of 2018!
