

# McAllen High School Distance Learning Expectations

## March 23- April 3, 2020

All students will access their classes using [Google Classroom](#) or other online platform used by teacher prior to Spring Break. Google Classrooms can be found through [Rapid Identity](#) or directly from the [McHi Website](#). All teachers will be available to answer students' questions during the scheduled class period and throughout the school day.

**Be patient as both you and your teachers are going through this learning process together. We will adjust as needed. Please email me at [albert.canales@mcallenisd.net](mailto:albert.canales@mcallenisd.net) or send me a DM through Twitter [@mchipride](#) if you have any questions. We believe in you. "We Got This" - Mr. Canales**

## Distance Learning Expectations

### Students:

- Please sign-in daily to Google Classroom or any other platform your teacher may be using.
  - Teachers will be keeping track of student check-in daily
- Please complete all assignments given by your teachers.
- Please follow your regular schedule. This time can be used to ask any questions. Teachers will also be posting their conference times in their Google Classroom.
- Please reach out to your teacher if you have any questions about assignments or content.
- Email your teachers via Skyward or communicate directly via Google classroom.
- Please check Skyward to view your grades.
- When participating in face-to-face (video) instruction, please follow the Student Dress Code.
- The idea is to be online when you need to be. Check your teachers classroom, ask questions during your class period or during your teachers conference period.

### Parents/Guardians can support their child by:

- Monitoring your child's completion of assignments.
- If you have any questions on assignments or content, please email your child's teachers.
- If you would like to join you want to be added to Google Classroom.

## Internet Access (click here)

Students having issues connecting Chromebooks to the VPN can follow the troubleshooting steps outlined [HERE](#). Parents who do not have internet at home can get free broadband, including installation, from SPECTRUM for 60 days. To sign up, call (844) 488-8395.

From March 23-April 3, 2020, McAllen ISD is providing emergency meal assistance to our community at 15 sites- 4 Grab & Go Sites and 11 Meals on Wheels Delivery Locations. For more information, please click [HERE](#).
