

# 3<sup>rd</sup> Grade Wish List

3<sup>rd</sup> Graders will be using binders to organize their things as they change classes. From the past years, we have learned what works best. Students only need what is listed. Anything extra will be kept in their lockers or will be sent home.

Remember you will need school supplies at home too. It's good to have crayons, pencils, ruler, highlighters, etc at home for homework.

2-3 in. binder (the ones that zipper last the longest)

Three (for Math, Reading, & Science/Social Studies) 3 holed Pocket Folders

3 holed pencil bag

Pencils (plain #2 last the longest)

Erasers (avoid the fancy ones...they don't work)

1 or 2 highlighters
