

The North Kingstown Special Education Local Advisory Committee will meet on Tuesday, January 22, 2019 at 6:30 P.M. at Davisville Academy, 50 East Court. This month we will welcome Jamie Brelsford, Community Outreach Coordinator from Rhode Island Parent Information Network (RIPIN). RIPIN is an amazing organization providing information, education, training, support, and advice for advocacy. He will be speaking about the programs and services offered by RIPIN. In addition, his "RIPIN 101" presentation will discuss who RIPIN serves, workshops offered, what the call center is, care management, Cedar services, medical billing/Medicare/Medicaid questions, the Community Health Network, and health outreach. RIPIN works to ensure that all individuals from infants to seniors receive the highest quality special education services and supports as well as healthcare needed.

All are welcome! Please join us and bring your questions as well!
