What to Bring

Each camper should bring a ball and a great attitude. Everything else is taken care of for you!

TSP Academy Vision

The Total Soccer Player Academy was founded at Sullivan South High School in Kingsport Tennessee in 2002 with the concept of bringing a collegiate camp experience to serious soccer players at a fraction of the price. TSP grew to a Youth Academy at North Buncombe High School in 2014. We now offer the opportunity to train alongside the Dobyns-Bennett staff and team. TSP has partnered with Soccer.com to provide the best training gear and equipment to enhance the experience.

Tactical Training

Tactical sessions will focus on the principles of the game to further a young players success.

Technical Training

Technical sessions focus the fundamental technical skills needed to become a soccer player. The technical sessions for TSP in 2019 include: Passing, finishing, receiving and turning, dribbling, and more.

Match Play

Our match play will provide an opportunity to execute the skills that are developed in our technical and tactical sessions. We will separate players by age and ability for these matches.

Dutch 4v4 Tournament

One of the favorite events at The TSP Youth Academy is our Dutch 4v4 Tournament. In this event, players will be switching teams throughout the competition and earning points for each small sided game. The camper with the most points will win a special prize!
