August 2018

Volume 1 Issue 1

Welcome back Students, Parents and Teachers!

As we begin a new school year, the Boosters would like to welcome back the families and staff of Southwest Elementary. We would also like to welcome all of the new families to our fantastic school. The Boosters Board has been meeting during the summer planning events for the year. We are also excited to build on the classroom and playground improvement goal we have been working on the previous 2 school years. The 21st century classrooms are underway. The playground will get some enhancements as well. Please join us at our first Booster meeting of the year, September 11, to see what we are planning, and of course, to offer your input. Hope to see you there!

Back to School Celebration

The Boosters are bringing back the SW Back to School Party. Join us August 24th, from 5-7pm at SW for an evening of games, food and fun! This is a free event sponsored by the Boosters. Come meet up with old friends and make some new ones.

Booster membership

Boosters will be starting their membership drive in August. Be sure to stop by at any of the upcoming events (meet the teacher night, back to school night, booster meeting) and renew your \$10 membership fee (per family). These fees allow us to continue the many activities we provide through the school year.
