

We require a signed Media Release form indicating that your child's likeness/image or classroom work may be photographed or videotaped when involved in educational activities as part of the school program. That form contains the following provision:

Check one:

I hereby grant GWCS the right and permission to publish/use photograph, video and/or audio tapes of my child, and schoolwork created by my child, to promote my child, and GWCS through the school's website, media productions and platforms, or through external media.

In addition, I accept responsibility, knowing that this release form is on file for the extent of my child's career at GWCS. If I deem it necessary to remove such consent, I shall notify GWCS in writing of my intent.

I DO NOT grant GWCS the permissions to publish or use photographs, video, audiotapes, or any other media showing my child's image, likeness, or school work. I understand, however, that despite GWCS's efforts, some materials (such as videos of large group assemblies) may contain images of my student.

*Please note: If GWCS does not receive a completed and returned Media Release form for your child, GWCS will recognize this as your implied consent to allow GWCS to include your child's image, audio/visual, and or writing in internal and external media.
