April 2019

Principal's Message

Spring break came and went and we are well into our 2nd to the last month of school! This year has flown so fast. I hope everyone is well rested from our week because April is going to go at lightning speed! We start with Open House this Thursday evening. We hope you join us as we'll have a food truck and an opportunity for you to see your children's amazing work! We have a parent training next Thursday evening about our Positive Behavior Supports at school. The following Thursday, we have a fundraiser at Blaze Pizza! Thank you for joining us at Shakey's last month and hope you join us at Blaze. The money earned from these specific fundraisers help fund our monthly student of the month breakfasts. We finish off the month honoring Earth Day with a week full of activities as well as the start of our state testing period. In addition, we are starting to plan our International Day Festival scheduled for May 9th. If you would like to be a part of the parent committee to plan this event, please let us know. We appreciate the ongoing support you provide us at Park to make this not only an academically challenging school, but also a fun environment for the students!

Warm Regards, Dr. Molina-Solis

Ms. Lily's Corner

This month, Ms. Lily will be discussing Safety Awareness with the students. She will share how students can be safe and stay safe while on the internet, stranger danger, being alert when walking to and from school, and knowing your boundaries.

PTA Announcements

PTA is looking for volunteers for the Lucky to Have You Family Dinner Dance scheduled for April 26th. We hope you join us that evening for some family fun.

AEF News

AEF K-8 Summer Academy – June 10-July 12 at Ynez School and Alhambra High School.
AEF Summer High School Program – June 13-July 17 at San Gabriel High School.
NEW! All AEF registration is to be done on line this year. K-8 Registration begins March 4 and High School registration begins March 18. There is an Early Bird Tuition Discount available through April 14. Please come join the fun at AEF's 15th Annual Service to Education Awards Dinner & Gala recognizing "Unsung Heroes". Sat., April 6, 2019 at the Hilton Los Angeles/San Gabriel.

Student of the Month

For the month of April, our teachers will be looking for students who are Active Learners and Listeners. An active learner is a student who engages with the material, participates in class, and collaborates with classmates. This goes hand in hand with active listening which involves listening with all senses. It includes giving full attention to the speaker. This is demonstrated through eye contact, nodding your head, smiling, and encouraging the speaker by providing feedback. Demonstrating these skills in class and in relationships will help your child with developing more effective communication skills.

Upcoming Events
