3/17/2020

Dear Parents, Guardians and Students,

Last Friday the State Board of Education and the Tooele County School District instated a soft closure starting March 16 and ending March 27th. This soft closure means that students will stay home and work through our online programs of Google Classroom and Canvas to complete school work. **Class work begins Wednesday, March 17th.** Teachers are required to continue to supply lessons for students each day they have class. Yesterday and today teachers have been learning these online programs and uploading lessons for students to complete.

**School Work:** Students are required to complete the assignments. Students will be graded on these assignments as part of their 4th term grades. Students will need to use Google Classroom or Canvas. Most students will use Google Classroom. **Students, this login is the same you have been using all year. It is the same login you have used to get into the Google Chrome Books.** If you have been using Canvas with your teachers, continue to use it. You will need to input the class code for every one of your classes. The following are the class codes are on our school webpage. [http://grantsvillejuniorhigh.tooeleschools.org/](http://grantsvillejuniorhigh.tooeleschools.org/)

**Google Classroom Help:** The District IT department set up a webpage to help students and guardians navigate Google Classroom. [www.tooeleschools.org/apps/pages/technology](http://www.tooeleschools.org/apps/pages/technology). Select “For students & parents” to find help on logging in, contacting teachers, and turning in assignments.

**Need Assistance:** Teachers are on call to help with assignments. Teachers are required to work 8:00 – 3:00 every day. Please email them with any concerns or questions in regards to your classwork.

**Need a Computer:** If you are in need of a Laptop to complete your work please call this number. 435-884-4510 Extension #3304. **We will be taking calls beginning Wednesday, March 17th from 9:00 – 2:00pm.** The following days of the week checkout will be from 10:00 – 1:00. We have limited supplies of laptops, so we can only supply a computer if you don’t have one in the home. As of right now we can only supply a laptop for the student who attends our school. Please contact the high school or elementary if you have a student of that grade that needs a laptop. Staff will coordinate with you on a time to pick up the computer. A parent/guardian signature will be required at checkout. The computer is to be used for classwork only and will be required to be returned when regular school returns.

**No Internet Access:** If you don’t have internet access in your home and need paper packets to complete your work you will need to contact the teacher or call this number. 435-884-4510 Extension #3332 or 435-830-8506. **We will be taking calls beginning Wednesday, March 17th from 9:00 – 2:00pm.** Staff will coordinate with you on a time to pick up your packet.

**Odd Classes:** Peer Tutor, Office Aides, or Study Skills classes will not have assignments that need to be completed.

**Lunches:** Grab and go lunches are free of charge at Grantsville Elementary and Willow Elementary from 11:00am – 12:00pm every day we are out of school.

Thank you for your patience as we continue to work at providing the best learning opportunities for your students.

Mr. Parker
