Aloha Kalaheo High School Ohana,

In this season of giving, we would like to take the time to reflect on the amazing accomplishments and work our school community has achieved thus far.

Our newly dedicated athletic field is in full swing with many of our teams and classes taking advantage of this space. Congratulations again to our science teacher, Mrs. Stafford, for being selected as the Kalaheo-Kailua Complex Teacher of the Year, as well as a huge congratulations to our cross country state champion, Emily Naylor! This school year has also seen the establishment of new classes and clubs, like our Fashion Design class, Best Buddies program, and eSports club. Our student council continues to do great work in bringing exciting guests on campus like BMX riders from ASA Action Sports to educate our students on bullying prevention. They have also organized successful campaigns to create military care packages and Angel Tree donations. They are still looking for monetary donations so they may continue these projects next year. We are also in the planning process of establishing early college and internship opportunities for our students next school year.

With the end of the calendar year, we also want to bid a fond farewell to two amazing staff members as they enjoy retirement. Ms. Lilia Kaleleiki served as a custodian and a head custodian at Kalaheo for 29 years. Our building and construction teacher, Mr. Arthur Fitchett, has served our school community for 15 years. They will be greatly missed.

On behalf of our administrative team, we would like to wish you and yours a very happy holiday season. We look forward to continuing our great work into the new year.

With Aloha,
Ms. Resha Ramolete, Vice Principal
FROM THE COLLEGE CENTER

College & Career Center News

Do you need money for college? Do you need help completing your FAFSA?
There are many community outreach events to help you!
Students working on scholarships or needing assistance to complete scholarships should attend Scholarship Blitz. We will assist with any scholarship or if you need to complete your FAFSA!

THURSDAY, Jan. 16, 2020 at Castle High - Scholarship Blitz from 5-7 pm in LGLC Computer Lab
Students working on scholarships or needing assistance to complete scholarships should attend Scholarship Blitz. We will assist with any scholarship or if you need to complete your FAFSA!

Class of 2021 College Night:
SAVE THE DATE for Junior College Night on Tuesday, Jan. 28, 2020 at 6:00 pm in the Library!
Topics to be covered include college admission and testing information, as well as financial aid and scholarships.

Early College is COMING to Kalaheo High School next year:
Windward Community College (WCC) will be offering Early College (EC) courses on the Kalaheo campus during School Year 2020-2021. Students in 10th and 11th grade are eligible to apply and earn dual credits from high school and WCC. Courses offered will be in the Natural Resources and Health Services pathways with details listed in the registration catalog. Information sessions will be held in December and January. Mandatory student/parent EC registration meeting with WCC will be held on February 6, 2019 at 6:00 pm in the Library. Please listen for the announcements or see your counselors, Ms. Inouye (H208) or Mrs. Nishimura (A103) for more information.

Spring 2020 ACT and SAT Prep Classes:
In partnership from the Kalaheo PTSA, we are offering both the ACT and SAT prep classes in Spring 2020 for a great price of $60.00 per prep class. Each class is scheduled for 3 days and taught by Ray Karelitz...please check the dates BEFORE registering. Come to H208 for the registration form(s) and to pay for each course.

If you need prep/practice for the Statewide ACT test, consider signing up for the Spring 2020 ACT Prep Class. Dates of ACT classes are:
  - Feb. 14, 2020 – afterschool (time and location to be determined)
  - Feb. 15, 2020 – 9:30 to 11:00 am in the Library
  - Feb. 21, 2020 – after school (time and location to be determined)

If you want to learn more about the SAT test, consider taking the Spring 2020 SAT Prep Class. Dates of the SAT classes are:
  - April 17, 2020 – afterschool (time and location to be determined)
  - April 18, 2020 – 9:30 to 11:00 am in the Library
  - April 24, 2020 – after school (time and location to be determined)

Looking for scholarships...read the College & Career Newsletter posted on the Kalaheo website!

To contact April Inouye, College & Career Counselor
Email: April.Inouye@k12.hi.us
or call: 305-0261 For the most updated information http://kalaheohigh.org, click on College Career Center
To register for either the ACT or SAT, students must create their login and password for each test. Students register online, paying with a credit card. When asked for the high school code, Kalaheo High School’s Code is 120143 for both tests. Students are encouraged to send their scores to four colleges for free at the time of registration. Scores released AFTER testing may incur a cost per each release.

Fee waivers are available to juniors and seniors who are eligible for free/reduced lunch. Be sure to submit the necessary paperwork with Kalaheo High School to determine your eligibility.

ACT and PreACT Testing is coming in February!
All 9th and 10th graders will be taking the PreACT and all 11th graders will be taking the ACT on Tuesday, February 25, 2020! The DOE is paying for all students to take an ACT test to prepare them for college and career. Parents: Please do not schedule any appointment or plan to release your child early from school that day. There is a special bell schedule for testing day! Start practicing at act.org/academy

State Testing
Parent Letter for the
PreACT® Test
Spring 2020

Dear Parent/Guardian of 9th and 10th graders,

We share a responsibility to ensure your child is on track for college and career readiness. The Hawai‘i Department of Education wants to provide college and career readiness support to all students as they plan their futures after high school. One way to determine student preparedness is through assessment. As a result, your child will have the opportunity to take the PreACT® test at no cost to you on Tuesday, February 25, 2020.

- Testing will occur during the school day. Please have your child at school no later than 8:15 am! Testing will begin at 8:35 am with lunch served AFTER testing concludes.
- School will be dismissed at 1:45 pm.
- Your child will receive their score report in school sometime in late March/early April.
- **NO MAKE-UP TESTING** will be offered for the PreACT; please make sure that your child attends school on test day.

For more information about the PreACT, please visit: https://success.act.org/s/article/Why-Take-the-PreACT

**Note:** Your child will not need to register for this test.

With PreACT®, you can get useful information to help your child choose the right high school courses, think about ways to work on areas for improvement, and even begin discussions about their college and career interests. This year, we've chosen to administer the PreACT as one of the first actionable steps your students can take to become ready for college and plan for the future.

We're confident your child will do their best. It is important that your child is well rested and eats a good breakfast on test day. This is an opportunity to see your student's potential performance on their future ACT® test.

Sincerely,

James Rippard, Principal

Krystal Sato, PreACT Coordinator

State Testing
Parent Letter for the
ACT® Test with Writing
Spring 2020

Dear Parent/Guardian of 11th Graders:

The Hawai‘i Department of Education wants to provide college and career readiness support to all students as they plan their futures after high school. One way to determine student preparedness is through assessment. As a result, your child will have the opportunity to take the ACT® test with writing at school on **Tuesday, February 25, 2020**.

- There is **no cost** to you or your family for this administration.
- Testing will occur during the school day. Please have your child at school no later than 8:15 am! Testing will begin at 8:35 am with lunch served AFTER testing concludes.
- School will be dismissed at 1:45 pm.
- Your child can use their results for admission to colleges and universities.
- ACT will mail your child’s score report to your home three to eight weeks after testing.

The ACT® with writing is a curriculum-based test that covers learning content for all students based on their academic strengths in English, mathematics, reading, science, and writing. Your child’s score report will help determine his or her academic readiness for college. In addition, the score report will also provide career guidance based on your child’s responses to the Student Profile Section and Interest Inventory questions.

For more information about the ACT® with writing, please visit [www.actstudent.org](http://www.actstudent.org).

**Note:** Your child will not need to register for this test.

During PTP on February 12 & 19, 2020, your child will be completing the non-test portions of the ACT. We will also be checking their calculator for ACT approval. All math sections can be used without a calculator.

Together, the Hawai‘i Department of Education and ACT will support your child in making plans for college and a career after high school.

Sincerely,

James Rippard, Principal

April Inouye, ACT Coordinator
KALĀHEO & WCC PRESENT
EARLY COLLEGE
Open to CURRENT 10th/11th Graders

Interested in a HEALTH profession?

BIOL 100: HUMAN BIOLOGY
Introduction to structure and functions of cells, tissues, organs, and systems of the human body. Topics related to physical fitness, nutrition, health, and disease. Not intended for future science majors. Upon completion of the course, the student will be able to: Use scientific reasoning to answer a question about phenomena in our natural universe or to determine the validity of a scientific claim. Distinguish between living things and inanimate objects. Relate cell structure and function to the architecture and functioning of the human body. Use information about the form (anatomy) and function (physiology) of the human body to make effective decisions about human health. Describe the interrelationships between humans and their environments.

BOT 105: ETHNOBOTANY
The scientific study of the interaction between human culture and plants, including the interrelationship of botany, socio-economics, belief systems and history that have shaped the cultural uses of plants in Hawaii, as well as Asia or the Pacific. Upon completion of the course, the student will be able to: Identify plants of major importance in various aspects of Hawaiian, Asian and Pacific Island cultures. Utilize the plants for food, medicine, and other material goods.

Interested in Hawaiian CULTURE?

HWST 140: MAHI’AI HAWAIIAN TARO CULTURE
Covers the history, lore and geographically specific methods of mahi’ai (to farm or cultivate). Emphasis on the cultivation of kalo (taro) and related staple foods. Upon completion of the course, the student will be able to: Tell the Mo’olelo (traditional history) of kalo. Explain the cultural significance of kalo in Hawaiian culture; identify varieties of kalo and their characteristics; Record and analyze observations of kalo cultivation; Create papa ku’i’i (pol-pounding board)

HWST 135 KĀLAI LĀ’AU: HAWAIIAN WOODWORK & WOOD CARVING- EXTENDED TIME
Through this Hawaiian cultural woodwork and wood carving project class, students will develop both the skills needed to work effectively and safely with wood, and the cultural knowledge important to the pieces developed. As a project class, there will be specific projects and themes set by the instructor of general Hawaiian cultural interest. Students will learn different aspects and solutions in carving and creating Hawaiian cultural projects. Upon completion of the course, the student will be able to: Learn to plan and create wood working projects of Hawaiian cultural relevance or significance; Gain a deeper understanding of the cultural significance of the wood-working project the student has undertaken; Learn to work with wood in an effective and safe manner.
Operation Holiday Greetings Accomplished: Care Packages Sent to Soldiers in Afghanistan

Picture and message posted on Facebook by Edwin Lau: “Thank you Kalaeo High School for the care packages! Your support is greatly appreciated by the soldiers in HIKI NO. Very heartwarming to receive care packages from Hawaii.”

Soldiers in the Hiki No Battalion from the Hawaii Army National Guard received 16 boxes of aloha in Afghanistan. Student Council leaders packed 360 care packages and holiday cards for deployed military. They were mailed just before Thanksgiving and the packages made it in Afghanistan on December 9.

Over 40 students and staff gathered to hand-make holiday greeting cards for the project. Work days were held during SAP class and after school. Hot chocolate, cookies, and treats were provided to make the work day festive and fun.

The care packages included macadamia nut candies, macadamia shortbread cookies, beef sticks, nuts, granola bars, fruit snacks, chewing gum, and sanitizers. All items were donated by parents, staff, students, and community members. Additional items were purchased through various monetary donations.

To fund the postage, Student Council held a Penny War during Winter Spirit Week. Although they did not raise enough to pay for the $300 postage, generous donors from our staff and Kalaeo community contributed the remainder of the postage needed.

The Hiki No Battalion is made up of about 350 Hawaii soldiers. They have been deployed since the end of March 2019 and is expected to return to Hawaii in the Spring of 2020. One of the soldiers deployed is Mr. Richard Lau’s nephew.

Mahalo for helping us send some ALOHA to our deployed military!
## ASK Calendar

### January
- **18** New Year’s Ball, Royal Hawaiian Golf Club 6-10pm
- **21** Student Council Election Applications
  Available in C102
- **22** Student Senate Meeting, Library, Period 4

### Happy Holidays!

---

**Kalaheo Adopts 24 Angels**

Once again, Kalaheo partners with Salvation Army’s Angel Tree Project to provide holiday gifts for children and seniors in need. Twenty-four children and seniors were adopted by SAP classes. Donations were collected throughout November. Student representatives went shopping, purchasing toys and clothing for children and household goods for seniors. This makes it our 17th year.
Did you know Kalaheo High School has a new Transition Center? This center provides an orientation experience that is designed to support the needs of students and families who are new to Kalaheo High School. The Transition Center is responsible for familiarizing students with school policies and procedures, helping them get acquainted with the community, and for conducting campus tours. The Transition Center is an engaging environment that will make your student feel welcome on their first day of school.

Our Transition Center is open Monday through Friday from 8:00am to 12:00pm and is located in D-103. Students are welcome in the Transition Center anytime. If they can’t find classes, feel lost or just need to talk about any issue, the door is always open for them. We enjoy spending time with them and seeing them throughout their journey here at Kalaheo High School.

To help our new students transition, we have student volunteers called Alaka`i. Our Alaka`i and the Transition Center Coordinators greet the new students on their first day. During their time in the Transition Center, our Alaka`i spend time with the new student reviewing the Student Handbook and filling out a new student information sheet to assist us in getting to know our new student better. The new students are then taken on a campus tour with our Alaka`i where they will get their school ID, be shown where the classes are as well as other important locations (like the cafeteria, library, computer lab, etc.). When they return from their tour, the Transition Center Coordinators go over the Chromebook policies. Once that is completed, new students will receive their Chromebook and will be walked through how to log in and use it. New students stay with their Alaka`i during recess and lunch. The students may choose to eat lunch in the cafeteria, take a home lunch outdoors or they can eat in the Transition Center. Alaka`i walk the new students their classes after recess and lunch.

Our logo is centered around the theme of the Transition Center, navigation. Ka wahi i ho`omaka ana ka holomoana translates to “The place where the journey begins.” This encompasses what our Transition Center stands for; that all new students start their journey here as we guide them to a new school, new community, and new place of learning.

In addition to working with our new students we are working with our new parents/guardians as well through Coffee Hours and evening workshops. These sessions will be held in the Transition Center, D-103. Our schedule for this year is:

February 19, 6:00 PM
February 21, 7:30 AM
April 22, 6:00 PM
April 24, 7:30 AM

To register for any of these workshops or for more information please contact Sharlyn Maciel sharlyn.maciel@k12.hi.us

Project Graduation 2020

What is Project Graduation?
Project Graduation is an all-night adult chaperoned, drug and alcohol-free celebration for the graduating seniors in a safe and fun environment. Each year the majority of the senior class attends this AWESOME event! It starts right after graduation and ends the next morning. Only graduates that participate in the ceremony are allowed to attend. Project Graduation is a parent-planned event and requires FUNDRAISING in addition to the cost per graduate because the actual cost per graduate is $300.00.

Why do we have Project Graduation?
Project Graduation was started to keep graduates safe after graduation. It is also a great way to say goodbye to classmates, some of which you may never see again.

What will we do at Project Graduation?
Graduates will get dinner and food throughout the event. There will be a variety of activities all night long. There will be something for everyone—lots of choices!

Why is the location of Project Graduation a secret?
The location of Project Graduation is kept a secret to prevent non-graduating seniors or friends from trying to “crash” the party. A small group of parents know where the event is and will not share that information with other parents or students. If requested, parents can be given a contact number of an adult chaperoning the event.

If you have questions or want to help, whom can I talk to?
You can always stop and see Ms. Koopman (H209) or contact Mrs. Frato-Hildebrant at kfrato@gmail.com

It was a night of spooky fun at October’s Ka’ahao Fall Fair. With help from a group of awesome volunteers from both Kailua Intermediate School and Kalaheo High School, MAF’s Scary Tales themed attraction raised over $1000 to benefit the KIS AVID program, KIS Youth Drama, the KIS Student Council, Kalaheo National Honor Society, Kalaheo ASK, and the MAF Scholarship Fund.

A big Mahalo to the Kalaheo Girl’s Soccer Team and the MAF Board of Directors for their participation in a Matson Beach Cleanup at Baby Makapu’u on Nov. 10. Just a few hours of hard work really made a big difference! Thank you to Matson for sponsoring this event and for their generous grant of $1000 to benefit the MAF Scholarship Fund.

ALL PRACTICES ARE MANDATORY; days and time:

Tues, Thurs & Fri 3:15pm-5:30pm

For any Questions please email Coach Stephan at: stephan.ogasawara@gmail.com
The 2019 season ended the way it started. Successful both team wise and individually. Senior Captains Macy Carroll, Micah Willweber, Grace Kathman, Allie Zerr along with Junior Karina Maciel lead the way in keeping Mustang XC traditions alive and out kicking the competition.

Your Mustangs harriers were competitive in all the pre-season and championship meets. A highlight was the girls varsity being the top OIA team in the prestigious Iolani Invitational where top mainland schools, OIA, ILH and outer island teams participated. Sophomore Emily Naylor placed 20th which is the best finish in this race for a Kalaheo girl in at least 8 years.

That would be the last time Emily would not come in 1st in the season winning the HHSAA state championship held at the Seabury Hall Campus on Maui, November 2nd. The girls team place 8th out of 21 scoring teams, best team finish in at least 8 years.

Team wise, the varsity girls defended their OIA Varsity title with Emily leading the way, #1 finisher, with Macy, Karina, Grace, Larissa Teramura, Cammy Lauro and McKenna Carmack supporting the back to back accomplishment. The girls varsity also won the OIA East title too! All 7 on this team qualified for states.
Cross Country Con’t

Not to be outdone, the JV girls won the OIA East title being led all season by frosh Cammy Lauro along with strong support from fellow super freshmen McKenna Carmack, Liv Deeley and Charlie Updegraff.

The boys, though not as successful team wise, were led by sophomore Ben Zerr and senior Micah Willweber. Ben kept the title of boys Beast of the East to seven in a row for Kalaheo XC as he won the varsity individual title at the East divisionals. Micah finished a strong 3rd place. Ben was runner up at the OIA Varsity Championships and Micah was 16th leading teammates Kang-san Meyers, Irie Gray, Zach Nishida, Angel Velazquez, Stone Jessee, and Nikko Lau to all qualify for the state championship meet at Maui.

The JV boys were not able to 5-peat this year but were lead all year by super frosh Angel Velazquez with support from Stone Jessee, Nicholas Allen, Seth Ayotte and Nikko Lau.

The future is bright with most of the team returning but we say “Aloha” to our seniors who have accomplished so much and paved the way for the returnees to carry on the Mustang XC traditions and culture. You will be missed!

As most on the championship teams are returning, Ben, Irie, Angel, Zach, Stone, Nikko for the boys and Emily, Karina, Larissa, Cammy, McKenna, and Kishti Vasconcellos for the girls, along with seasoned returnees Alexis Provencal, Clara Kathman, Nicholas Allen, and Seth Ayotte, it’s a safe bet that your Mustang Harriers will aim to out-run and out kick the competition again!

Go Mustangs!
Coach Peter Jay

Gordon Mattis, Micah Willweber, Martin Ashley, Kang-san Myers, Allie Zerr, Macy Carroll, Grace Kathman.
From the Registrar’s Clerk

Students & Parents: Are you moving or transferring to another school?
If your answer is yes, then please follow these simple steps.

1. A parent/guardian must sign a request for release form at least two weeks before the student’s last day. Forms may be obtained by coming to the main business office at Kalalaeo High School. We will need to know the date of your last day of attendance and the city/state where you are moving to.
2. Return the request for release form to the main business office at Kalalaeo as soon as you know when and where you be moving to. Please return the form at least one week prior to your last day.
3. Student should come to the main business office to pick up their clearance form two days prior to the last day of attendance.
4. Student clearance forms should be turned in to the main office to ensure all books and laptops are turned in and fees have been paid.
5. A release packet will be ready for student pick up in the main business office on your last day if you follow these steps.

Thank you for your cooperation, completing these steps will ensure seamless enrollment into the next school.

Students & Parents: Transcript Requests

Transcript request forms are available in the main business office at Kalalaeo High School. Official and unofficial transcripts are $2.00 per request. Official transcript requests that require additional forms will be $3.00 per request (ex: including the common application for college). Processing time for transcripts is 3-5 business days. Expedited/rush transcript requests are available for an ADDITIONAL $5.00 per request. Expedited requests received by 3 pm will be sent to the post office the next business day. Please plan accordingly.
