Food That's In ~ When School Is Out!

During the school year, kids & teens get nutritious free meals at school. They are just as hungry in the summer, when school is out! The Summer Food Service Program (SFSP) helps children and teens get the essential nutrition they need during the summer months.

During the summer, breakfast and lunch for children is available every day - free! Meals are open to all children 18 years of age and under. Individuals ages 19 through 21 who have been identified as having mental or physical disabilities and are following Individualized Education Programs (IEPs) through their current enrollment in educational programs, are also eligible for free summer meals.

No paperwork, sign-up or application required.
