

# Eisenhower Elementary Parent Newsletter

May 2019

It is hard to imagine that we are nearing the end of the school year. As we reflect on the year, we are excited to build upon the traction we've made in project-based learning. Many of our staff members are planning on attending more trainings in PBL during the summer to prepare for next year.

As we draw to a close in our first year implementing our redesign plan, we would like to thank the parents and guardians that have been patient with us as we made pivots and changes along the way to improve the way we teach our kids. We know that change can be difficult on all, but we ultimately know in our hearts that we are doing what is best for kids, otherwise we wouldn't be doing it. Thank you for your support of the teachers and staff at EES.

Mr. Allen
