Dear PASD Parents and Students:

As the COVID-19 crisis continues, please note the following:

- Schools, per state directive, are still closed through April 9, 2020.
- We have been working to format an Enrichment/Review process for all of our K to 12 students per PDE directive. Enrichment and Review activities can be implemented either by online resources or independent work packets. These resources will enhance all course instruction that took place prior to the state mandated closure. We strongly encourage every student to participate in as many enrichment/review activities as possible to prevent regression.

If you currently do not have access to the Internet or a working computer/tablet, please contact your school's main office (PAES 938-5151, Ext. 2000, PAHS 938-5151, Ext. 1000) by Monday, March 30. Office hours are 8:00 AM to 2:00 PM.

We need this information to determine individual students' needs in terms of a delivery method.

We will update the community again with more specific details on the start date for this Enrichment/Review process. We appreciate your patience and understanding and we will continue to move forward together.

Sincerely,

Dr. Thomas A. Lesniewski
Superintendent
